YOUR BEVERAGE.

Should have quality, purity and flavor to recommend it. These three features are essential for satisfaction. That's why

RAINIER BEER

stands for perfection in the beverage line. Good materials—good making—good effects. A trial means—appreciation.

FREIGHT CIRCULAR.

In their Freight Circular, dated November 19, Messrs Lambe and Rogge report:—

No change of moment has taken place since issue of last circular; freights have continued to rise fairly steadily and notwithstanding the Northern market (Newchwang), being now about closed and Saigon also out of season, good employment is still being procurable in various directions and the outlook for the near future remains good. Many enquiries are difficult to meet on account of the absence of suitable steamers, but some tonnage will no doubt be driven South shortly, when a large volume of business may be looked for.

Saigon quotations for this port are more or less nominal. A boat, bound back, has been fixed at 15 cents per picul but, as already mentioned, the season is at an end and nothing much can be expected in this direction until the arrival of the new crop of produce.

For Phillip ports, sailing previously made contracts, a boat has been fixed at 32 cents per picul and there is room for another one or two but, after that, business is likely to remain at a standstill for some months to come, as in some of the provinces native rice will be becoming available again.

Saigon-Java, shipments are going forward by previously chartered boats, which, for the time being, supply the demand. Rates are the same as before viz., 20 cents per picul.

Java to this, the enquiry continues; but the scarcity of tonnage has prevented business being brought about. Rates are unchanged.

From Bangkok to this, no charters are reported, but the outlook in this direction remains decidedly good and a fair amount of tonnage is likely to be wanted ere long. From Newchwang to Canton, there has been a rush for tonnage at the close and up to 50 cents per picul has been paid, but most of the chartering has been done up North, principally Local Co's. boats, outsiders having been almost unobtainable. Very fair rates have also been paid for steamers loading up, both for Chefoo and Newchwang.

Coal rates continue to rise steadily at \$2.15 to \$2.20 per ton (Mojo) or Kuchinota to this; several fresh settlements are on record and there is further demand.

On monthly terms, four charters are reported at fair rates. *Paul Feilner*—The American bark *Paul Feilner* has been sold by private contract for \$10,000. Discharged—French bark *Bourbon*, 1711 tons; French bark *Empireur* *Mette*, 1670 tons.

Departures—American bark *E. R. S.*, 16th November, for New York.

Asiatics in Africa.

A Convention to consider the Asiatic question held on Nov. 11 at Pretoria was attended by two hundred Transvaal delegates, who passed a resolution in favour of prohibiting all Asiatic immigrants except under the Labour Ordinance, removing all the present Asiatics to labour, without compensation, and prohibiting their being engaged in skilled trades. General Botha wrote sympathising with the movement.

THIRTEEN DOCTORS FAILED TO CURE LIVER COMPLAINT.

BILL BEANS EFFORT A CURE.

AFTER seven years' martyrdom to the evils of sluggish liver, Mr. Joseph Atwell, a railway ganger of 8, Holly Bush-terrace, Glen Neath, near Aberdare, Wales, was recently cured by Chas. Ford's Bile Beans for Biliousness. He is a member of the local Baptist Church, and has many friends there who can vouch for the accuracy of the following interesting statement.

"All my life, and more especially during the last seven years," said Mr. Atwell, "I have suffered greatly from the sluggish action of my liver. On a morning I felt languid, weary, and oppressed, and had great difficulty in making myself get up to go to work—not that I really desired to shirk it, but rather because I was altogether out of sorts. I had to avoid pastry and all heavy foods for fear of indigestion and biliousness; and plain bread and butter with a small piece of mutton was my best fare. More would have produced fearful agony, and even as it was I was often unwell after a meal. My face was covered with pimples and blotches, some of the spots being as large as peas. The distress which overcame me I could on no account shake off, and I was exhausted with the least effort."

"Last year I lost three months' work, and the winter before that I was stopped for a similar period. No less than twelve doctors in the Aberdare and Neath Valleys, and one in Leeds (Yorkshire), tried in vain to cure me. After a bottle of medicine I took without effect. At Leeds, I have a son, who sends me the seeds of mung, and in that paper I noticed a report of a cure. As the name of the medicine had been given by Chas. Ford's Bile Beans, I doubted whether it was worth while spending any more money on such apparently useless case as mine was, but last I thought that I would just try once again, and sent in for a course of the Beans. I soon saw good reason to be grateful for the chance to try the medicine, for with the first box my liver revived. I felt quite different. I began to want my food, to appreciate it when I got it, and to feel benefited when I had eaten it. There was none of the old nausea after meals, and no nasty sense of the fulness. Of course I went on with the Beans, and now having completed the treatment I am in the best of health, strength, and spirits. I am as fit as a fiddle, and the slightest discomfort. At our Chappel, tea only recently I ate as much cake and sweet stuff as any body, and it never affected me. I always get a thorough rest through the night now, and get up in the morning like a hawk. The liver issue of my ailments has disappeared, including the pimples and the blotches. My thanks are due entirely to Chas. Ford's Bile Beans, which cured me after all these years of suffering."

Chas. Ford's Bile Beans for Biliousness are a cure for indigestion, headache, dizziness, neuralgia, rheumatism, flatulency, constipation, piles, hemorrhoids, jaundice, skin eruptions, and all ailments having a liver origin in the system. A general purgative of the system and blood, and a most reliable remedy. Price 75 cents (10s) per bottle.

MAIL STEAMER DEPARTURES.

The following table is a chronologically arranged list of mail steamer sailings to Europe, America, Canada, and Australia. Coast ports, Manila, and Japan are not given, for steamers are constantly sailing for those ports. All the American steamers call at Japan, and the majority of the Australian boats call at Manila, and, in addition to those vessels, special steamers run there. The departure of every steamer is subject to alteration. The P. & O. mails usually reach London in about 28 days, and the French and German in about 28 or 30 days.
